

Recruitment of Practice Pharmacist

We are looking for a Practice Pharmacist (full or part time) to join our existing Pharmacists as part of our multidisciplinary team.

We are a large practice serving an urban and rural population in beautiful West Wales. Our multidisciplinary team includes Nurses, HCA, Nurse Practitioner, Pharmacists, Social Worker, Occupational Therapist and MSK Practitioner. We are a training practice, training Nurse Practitioners, Medical Students, GP's and Physicians Associates.

Our Practice Pharmacists are key members of the practice and have a wide and varied role including medication review clinics, answering medication queries, medicine reauthorisation and reviewing hospital discharge information.

We would encourage you to speak to us directly if you have any queries and would like to meet you should you wish to come and see the practice for yourself.

For any queries, or to apply, please contact
Don Wilkes (Practice Pharmacist) or Judith Scourfield (Practice Manager)
