

Recruitment of GP Partner, Salaried GP or Nurse Practitioner

We are looking for a GP Partner, Salaried GP or Nurse Practitioner to join our multidisciplinary team.

We are a large practice serving an urban and rural population in beautiful West Wales. Our multidisciplinary team includes Nurses, HCA, Nurse Practitioner, Pharmacists, Social Worker, Occupational Therapist and MSK Practitioner. We are a training practice, training Nurse Practitioners, Medical Students, GP's and Physicians Associates.

We are involved in occupational health, family planning, advance diabetic care and minor surgery.

We would encourage you to speak to us directly if you have any queries and would like to meet you should you wish to come and see the practice for yourself.
